

ADMISSION TO OMEGA COLLEGE

All persons wishing to enroll at Omega College, including students transferring from other institutions, must meet the following:

1) GENERAL ADMISSION REQUIREMENTS:

Complete the Omega College Application and the submit all of the required documents.

2) ACADEMIC CRITERIA FOR ADMISSION:

- Five (5) Bahamas General Certificate of Secondary Education (BGCSE) / GCE ordinary level passes including English Language and Mathematics, with grades of "C" or above, or
- The CXC Certificate in General Proficiency with grade 1 or 2 in five (5) subjects, including English Language and Mathematics.

COLLEGE PREPARATORY PROGRAM

Those applicants who do not meet the Academic Requirements for Admission, must complete The College Preparatory Program at Omega College.

The College Prep program covers the following areas:

- **English**
- **Mathematics**
- **Science**
- **History**
- **Analytical Reading & Report Writing Skills**

TRANSFER CREDIT POLICY

Omega College accepts transfer credits upon receipt of an **official transcript**, directly from the institution at which the courses were completed. Omega College is not obligated to accept transfer credits from institutions with which it does not have an articulation agreement. In some instances, credit for several courses may be combined to fulfill the requirements of one Omega College course.

Transfer credits are awarded for a grade of "C" or above and are not included in the Omega College GPA calculation. A maximum of 30 credits will be accepted for transfer into Omega College's Associate level degree programs. Credits are transferred in semester hour equivalents.

Application Forms are available at the Business Office of Omega College.

Associate of Business Administration in ACCOUNTING

The discipline of **Accounting** requires that a student develop the ability to think analytically and to recognize and categorize a mass of data. It further requires the student to develop the ability to synthesize information and present it in summarized reports that are beneficial to the user.

The Associate of Business Administration Degree in **Accounting** offers a curriculum designed to meet the foundational needs of students interested in the field of Accounting. This major provides the student with the opportunity to develop a conceptual foundation as well as skills required for entry-level positions in public accounting firms, private organizations and government departments.
